

Linda Cohen Programs Kindness Boot Camp – A Deep Dive

Format: **90-180 Minute Workshop**

This program is perfect for:

- company retreats/leadership development
- association conferences

Workshop Description:

- This is a deep dive interactive workshop.
- We'll discuss why cultivating a culture of kindness in the workplace is imperative: Reputation, Retention and Recruitment.
- Formulate ways to improve relationships with fellow employees and clients through intentional engagement in acts of kindness. Address differences and challenges of work style preferences.
- Discuss and explore kindness practices that would help build stronger strategic alliances.
- Attendees will leave with kindness ideas to implement in the workplace immediately.

Takeaways:

- Determine that additional "kindness" policies might not cost you any money, but could be crucial for your bottom line.
- Justify that by focusing on your company culture you will have more loyal and happier employees and clients.
- Develop a renewed sense of possibilities for ways to cultivate a stronger culture of kindness.
